Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Dana was the first model shot in Mike's newly built Pennsylvania studio. A customer who'd recently purchased Mike's "Bride" kit remarked that his former girlfriend looked remarkably like Mike's "Bride" kit character. This customer recommended Mike call her, which he did. Dana was a beauty all right. So much so, that Mike employed her to accompany him to a trade show, where she was magnificent.
